This form is to be completed by Landowners or Approved Manager providing permission for the operation of a Firearm Range.

An application for a Firearms Range has been made for land which is owned or managed by you and is within a Range Danger Area (RDA). An RDA is an area of land within which there is a danger to life, or property arising from the use of firearms. Firing Rights must be provided by each Landowner or Approved Manager for the Firearms Range approval to be considered by WA Police.

Firing Rights may be withdrawn by the Landowner or Approved Manager by providing notification in writing to the Firearms Range and WA Police Licensing Services
