METROPOLITAN
CEMETERIES BOARD

The Metropolitan Cemeteries Board (MCB) can provide copies of original Funeral Application Forms for burials and cremations that occurred more than 25 years ago. These records are a valuable resource for family historians, genealogists, researchers, and individuals seeking information about their ancestors or family history. Funeral Application Forms often contain details that may not be available from other historical records. Please note that this service may be limited for records relating to Fremantle Cemetery.

Please complete the form below to request a search and copy of a Funeral Application Form. Providing as much information as possible will assist us in locating the relevant record.
