Dear manager,

My colleagues and I recently conducted a study into a possible strategy to reduce plastic waste in Claremont Quarter. This was part of our Masters course at Curtin University. We developed a mock proposal which we presented to our class.

I have attached a copy of the proposal for your consideration. I hope this helps with the consultation. We would be happy to help in any way possible as we are all in the similar mind that plastic waste must be minimised from all aspects of daily living.

Kind regards,

Scott
